Re: 4% seepage loss currently charged against Timpanogos, Wasatch and Extension Irrigation Company's water released from Jordanelle Dam.

Dear Mr. Riley:

This letter is a follow-up to a letter that was sent to you in April of this year regarding the practice of the State Engineer to charge a 4% seepage loss against Timpanogos, Wasatch and Extension waters delivered out of the Jordanelle dam. An unsigned copy of that letter is attached hereto for your reference. As you are aware, we believe that the 4% loss charged against these waters is incorrect.

Please let us know what we can do to assist you in addressing this problem as soon as possible. If you have any questions or concerns, please do not hesitate to contact either the Wasatch County Attorney, Dan H. Matthews or the Wasatch County Water Board (LeeRoy Farrell) at 654-2909.

Sincerely,

T. LaRen Provost, Chairman
Wasatch County Commission
